Join us at the fourth annual Naturally Illinois Expo. You’ll find over fifty exhibits, hands-on activities, and demonstrations to help you discover more about science and our state. You’ll interact with scientists who work on cutting-edge research and solutions to natural and cultural resource issues and support sustainable economic development.

Exhibits include: Waste to Oil Demonstration • Animal Bones of Illinois • Floodplain Simulation • Kids’ Fossil Dig • Earthquakes Now & Then • Honey Bees—LIVE! Mummy Science • and much more!

All ages welcome. Teachers and groups, please contact Eve Hargrave in advance at eve.hargrave@gmail.com.

Earth, Wind, & Fire 5K Run and 2.5K Walk starts Saturday at 9:00 AM
